Congratulations! Based upon your proposal submission entitled Rocket Engine Test Stand System you have been selected as a winner of the National Instruments (NI) 2017 Engineering Impact Award.

Award Description: Ticket for NIWeek 2018 valued at approximately USD 3.500

As always, it is NI's intent to comply with any gratuity laws, regulations and/or policies applicable to your organization. Accordingly, in addition to your acknowledgement of this letter indicating your acceptance of the 2017 Engineering Impact Award, please have your employer's or institution's ethics official to sign this letter to confirm that your acceptance of this award is not contrary to any known laws, regulations and/or policies.

Please note that it is your duty to ensure that all tax obligations that may exist related to the receipt of the prize are fulfilled. If you have any questions or need additional information, please contact me at the number or e-mail address below.

Sincerely,

Bettina Marie Mitter
